

Environmental Policy Statement

Synergy Power Ltd accepts responsibility for the harmful effects its operations have on both the local and global environment and is committed to reducing them.

Synergy Power Ltd will measure its impact on the environment and set targets for ongoing improvement.

The Company will comply with all relevant environmental legislation.

The Company will implement a training program for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.

Synergy Power Ltd will encourage the adoption of similar principles by its suppliers.
